A 6 week program of music and movement designed to encourage creativity, social skills, development and self esteem in your child.

Sessions will focus on an introduction to music via storytelling, musical games, making instruments, improvising and much more!

Parents are welcome to stay during the sessions (along with siblings 0 to 12 months for free!) or alternatively visit the HEART Café whilst waiting

Katie and Kim are fully qualified, CRB checked multi- instrumentalists that have a wealth of experience working with children.
